

## **Referral Program**

*We can't wait to grow with you.*

We strive every day to make sure our services and supports are something to talk about! As a thank you for spreading the word and allowing us to reach and help more families, we want to offer each of our current clients the opportunity to participate in our referral program.

How does it work?

Tell people about us! Post about us on Facebook, mention us on Twitter, or just talk to friends, family, and others in your community. Then, let them know to give us your name via phone call, email, or when they fill out our intake packet.

For each referral we receive in your name that participates in a service (i.e. screening, assessment, and/or therapy), we gladly offer:

1. First referral: 25% off one clinic session or home visit
2. Second Referral: 50% off one clinic session or home visit
3. Third, Fourth, and Fifth Referrals: No charge for up to three additional clinic sessions or home visits (one per referral)!

THANK YOU! We could not be "us" without you! Please reach out to us at any time if we can answer any questions or be of further help.
